

Template was designed as a singlet for women paddlers. It has tapered waist and extra length at the back, although not a true racer back cut but has a little more width between the shoulder blades that will suit most club competitors and allow more design room.

We recommend measuring an existing similar garment comfortable to wear. Lay it out flat on a table and measure to compare the size for fit.

label size	12	14	16	18	20	22	24	26
